Halloween Day   🔒 locked

Problem	Submissions	Discussions	Editorial

Tcenayang wants to show his Halloween customs this season through a parade in Surabaya.

when the parade passed, the organizers decided to overtake the decorative trucks by sorting. because the road is narrow then at every fork there is a place to exchange it, determine whether he can pass it or not.

Input Format

n with how mush truck capacity. and the second line is the number of trucks, the problems will **end** with **0**.

Constraints

1 <= n <=100 1 <= trucks <=100

Output Format

yes/no

Sample Input 0

```
